PROJECTS

SORTING VISUALIZER | VISUALIZATION APPLICATION

[Live Demo](#) | [Github](#)

- Built vanilla Javascript application for visualizing sorting algorithms.
- Implemented algorithms such as Bubble Sort, Selection Sort, Insertion Sort, Quick Sort and Heap Sort.

EXPERIENCE

COFFEE ROASTER | OWNER

Mar 2019 – Mar 2021 | Knysna

- Started this business in 2018 and sold it for 3x the investment in 2 years.
- I was one of the only Solar coffee roasters in South Africa
