PROJECTS

SORTING VISUALIZER | Visualization application
Live Demo | Github
- Built vanilla Javascript application for visualizing sorting algorithms.
- Implemented algorithms such as Bubble Sort, Selection Sort, Insertion Sort, Quick Sort and Heap Sort.

EXPERIENCE

COFFEE ROASTER | Owner
Mar 2018 – Mar 2021 | Knysna

- Started this business in 2018 and sold it for 3x the investment in 3 years.
- I was one of the only Solar coffee roasters in South Africa
